- (3) Holders of Existing Notes validly submitting tenders under Option A will receive a combination of the Pro-Rata A Cash Consideration (as defined herein) and the applicable Early A New Notes Consideration or Late A New Notes Consideration, as applicable. At the Expiration Date, the actual Early A Consideration or Late A Consideration to be received by each Eligible Holder whose Existing Notes are accepted in the Exchange Offer under Option A will be determined on the basis of the actual participation by Eligible Holders in the Exchange Offer and their selection between Option A and Option B.
- (4) The Pro-Rata A Cash Consideration that will be payable to Eligible Holders whose Existing Notes are accepted for exchange under Option A will be equivalent to the A Cash Consideration divided by the principal amount of Existing Notes accepted under Option A times 1,000. - (5) In the event that less than 30% of the aggregate principal amount of Existing Notes that are validly tendered and accepted for exchange in the Exchange Offer (such 30% of the aggregate principal amount, the “Total Cash Consideration”) is tendered under Option A, the difference between the Total Cash Consideration and the A Cash Consideration (such difference, the “B Cash Consideration”) will be paid to Eligible Holders whose Existing Notes are accepted for exchange under Option B, pro rata to the principal amount of their Existing Notes accepted for exchange under Option B, and ratably reducing the principal amount of New Notes that comprise the B Consideration. The Pro-Rata B Cash Consideration, if any, that will be payable to Eligible Holders whose Existing Notes are accepted for exchange under Option B will be equivalent to the B Cash Consideration divided by the principal amount of Existing Notes accepted under Option B times 1,000 (the “Pro-Rata B Cash Consideration”). Eligible Holders tendering Existing Notes under Option B will only receive cash as part of the B Consideration if less than all of the Total Cash Consideration is paid out pursuant to Option A.

The Exchange Offer will expire at 5:00 p.m. (New York City time) on June 16, 2022 (such date and time, as the same may be extended in the sole discretion of IRSA, the “Expiration Date”). Existing Notes tendered for exchange may be validly withdrawn at any time at or prior to 5:00 p.m. (New York City time) on June 2, 2022 (such date and time, as the same may be extended in the sole discretion of IRSA, the “Withdrawal Date”), but not thereafter. To be eligible to receive the Early A Consideration or the Early B Consideration, as applicable, Eligible Holders must validly tender and not validly withdraw their Existing Notes at or prior to 5:00 p.m. (New York City time) on June 2, 2022 (such date and time, as the same may be extended in the sole discretion of IRSA, the “Early Participation Date”). The deadlines set by any intermediary or relevant clearing system may be earlier than these deadlines.

Exchange Consideration

Eligible Holders of Existing Notes may choose between two, mutually exclusive, consideration options, detailed in the table above, in the columns under the headings “Option A” and “Option B.”

Tenders of Existing Notes under Option A

Upon the terms and subject to the conditions set forth in the Exchange Offer Documents, Eligible Holders who validly tender Existing Notes under Option A, and whose Existing Notes are accepted for exchange by IRSA, will receive: (i) New Notes in a principal amount equal to 1.015 times the difference between US\$1,000 and the Pro-Rata A Cash Consideration received by each such Eligible Holder for each US\$1,000 principal amount of Existing Notes validly tendered on or before the Early Participation Date and accepted for exchange (the “Early A Consideration”), or (ii) New Notes in a principal amount equal to the difference between US\$1,000 and the Pro-Rata A Cash Consideration received by each such Eligible Holder for each US\$1,000 principal amount of Existing Notes validly tendered after the Early Participation Date but at or prior to the Expiration Date and accepted for exchange (the “Late A Consideration”) and, together with the Early A Consideration, the “A Consideration”). See “The Exchange Offer” in the Exchange Offer Memorandum.

The A Cash Consideration is an aggregate amount equivalent to the lesser of (x) 30% of the aggregate principal amount of Existing Notes that are validly tendered and accepted for exchange in the Exchange Offer (the “Total Cash Consideration”), and (y) the principal amount of the Existing Notes accepted for exchange under Option A (the “A Cash Consideration”). The Pro-Rata A Cash Consideration that will be payable to Eligible Holders whose Existing Notes are accepted for exchange under Option A will be equivalent to the A Cash Consideration divided by the principal amount of Existing Notes accepted under Option A times 1,000. We have filed and obtained approval from the Central Bank to make the payment of the Total Cash Consideration.

Tenders of Existing Notes under Option B

Upon the terms and subject to the conditions set forth in the Exchange Offer Documents, Eligible Holders who validly tender Existing Notes under Option B, and whose Existing Notes are accepted for exchange by IRSA, will receive: (i) US\$1,030 principal amount of New Notes for each US\$1,000 principal amount of Existing Notes validly tendered on or before the Early Participation Date and accepted for exchange (the “Early B Consideration”), or (ii) or US\$1,000 principal amount of New Notes for each US\$1,000 principal amount of Existing Notes validly tendered after the Early Participation Date but on or before the Expiration Date and accepted for exchange (the “Late B Consideration”) and, together with the Early B Consideration, the “B Consideration”);

The Condition

Upon the terms and subject to the Minimum Exchange Condition (as defined in the Exchange Offer Memorandum) and the other conditions of the Exchange Offer described in the Exchange Offer Memorandum, which are for the sole benefit of IRSA and may be waived by IRSA, in full or in part, in its absolute discretion, IRSA will accept for exchange as soon as reasonably practicable after the Expiration Date, all Existing Notes validly tendered at or prior to the Expiration Date and not validly withdrawn as of the Withdrawal Date in the Exchange Offer.

IRSA expects, on June 22, 2022, which is the fourth business day after the Expiration Date (as may be extended by IRSA in its sole discretion, the “Settlement Date”), to issue and deliver the applicable principal amount of New Notes and deliver the applicable Exchange Consideration in exchange for any Existing Notes validly tendered and not validly withdrawn and accepted for exchange, in the amount and manner described in the Exchange Offer Memorandum. IRSA will not be obligated to issue or deliver New Notes or pay any cash amount with respect to the Exchange Offer unless the Exchange Offer is consummated. Eligible Holders of the Existing Notes who are Argentine Entity Offerees (as defined in the Exchange Offer Memorandum) or Non-Cooperating Jurisdiction Offerees (as defined in the Exchange Offer Memorandum) may be subject to certain tax withholdings resulting from the exchange of their Existing Notes. See “Taxation—Certain Argentine Tax Considerations” in the Exchange Offer Memorandum.

Holders of Existing Notes validly tendered for exchange and not validly withdrawn and accepted by IRSA pursuant to the Exchange Offer will be entitled to receive accrued and unpaid interest paid in cash with respect to the Existing Notes accepted for exchange which consists of a cash payment equal to all accrued and unpaid interest (rounded to the nearest cent US\$0.01) on their Existing Notes accepted for exchange from the interest payment date on March 23, 2022 to, but not including, the Settlement Date, which interest shall be payable in cash on the Settlement Date (subject to any tax withholdings applicable to Argentine Entity Offerees or Non-Cooperating Jurisdiction Offerees). Under no circumstances will any additional interest be payable because of any delay in the transmission of funds to Eligible Holders by DTC, Euroclear, Clearstream or any other clearing system.

The New Notes are being offered for exchange only (1) to holders of Existing Notes that are “qualified institutional buyers” as defined in Rule 144A under U.S. Securities Act, as amended (the “Securities Act”), in a private transaction in reliance upon the exemption from the registration requirements of the Securities Act provided by Section 4(a)(2) thereof and (2) outside the United States, to holders of Existing Notes other than “U.S. persons” (as defined in Rule 902 under the Securities Act, “U.S. Persons”) and who are not acquiring New Notes for the account or benefit of a U.S. Person, in offshore transactions in compliance with Regulation S under the Securities Act. Only holders who have submitted a duly completed and returned electronic Eligibility Letter certifying that they are within one of the categories described in the immediately preceding sentence are authorized to receive and review the Exchange Offer Memorandum and to participate in the Exchange Offer (such holders, “Eligible Holders”).

The Exchange Offer is subject to certain conditions as described in the Exchange Offer Memorandum (including, without limitation, the Minimum Exchange Condition) which are for the sole benefit of IRSA and may be waived by IRSA, in full or in part, in its absolute discretion. Although IRSA has no present intention to do so, it expressly reserves the right to amend or terminate, at any time, the Exchange Offer and to not accept for exchange any Existing Notes not theretofore accepted for exchange. IRSA will give notice of any amendments or termination if required by applicable law.

If you do not exchange your Existing Notes or if you tender Existing Notes that are not accepted for exchange, they will remain outstanding. If IRSA consummates the Exchange Offer, the trading market for your outstanding Existing Notes may be significantly more limited. For a discussion of this and other risks, see “Risk Factors” in the Exchange Offer Memorandum.

This press release is qualified in its entirety by the Exchange Offer Documents.

Eligible Holders are urged to read the Exchange Offer Documents carefully before making any decision with respect to their Existing Notes. The Exchange Offer is not being made to, nor will IRSA accept exchanges of Existing Notes from holders in any jurisdiction in which it is unlawful to make such an offer.
